

PEOPLE DRIVEN PLANNING AND BUDGETING - KEY TO PRO-POOR NATIONAL DEVELOPMENT

As my representative on National Development issues,

I would like you to:

Claim your place in priority setting and appropriate budgeting for me!

Be effective in debates that should ensure that the National Development Plans and the Annual Budgets reflect my aspirations!

Represent me actively and not passively in Pro-poor Development Planning! And

Regularly update me on how you have reflected my voice in the National Assembly!

Sincerely yours,

KEY TO PRO-POOR NATIONAL DEVELOPMENT

Dear Member of Parliament,

As my representative on National Development issues,

I would like you to:

Claim your place in priority setting and appropriate budgeting for me!

Be effective in debates that should ensure that the National Development Plans and the Annual Budgets reflect my aspirations!

Represent me actively and not passively in Pro-poor Development Planning! And

Regularly update me on how you have represented my voice in the National Assembly!

Sincerely yours,
